## BUILT-IN HOODS

60 CM HDUCS60019

F6 INOX

### TECHNICAL FEATURES

|              |                 |
|--------------|-----------------|
| Installation | Undercabinet    |
| Finish       | Stainless Steel |
| Control      | Switch          |
| Lighting     | 1 x 2 W         |

|                   |                |
|-------------------|----------------|
| Grease filter     | Aluminum panel |
| Motor             | 2 X 80         |
| Total Power       | 162 W          |
| Air outlet flange | 120 mm         |

### PERFORMANCE

|                |                       |
|----------------|-----------------------|
| Speeds         | 2                     |
| Air Capacity   | 450 m <sup>3</sup> /h |
| Voltage        | 220-240V-50/60Hz      |
| Acoustic power | 56-60 DBA             |
