

# TECHNICAL DATA SHEET

## BUILT-IN FRIDGES

CODE : FCLFB16009  
CM 2763

BUILT-IN REFRIGERATOR 60CM

### FEATURES

|                           |                 |
|---------------------------|-----------------|
| MANUFACTURING PROCESS     | STANDARD        |
| SALES GROUP               | VDT / OEM       |
| GROSS VOLUME              | 250 LT          |
| GROSS VOLUME              | 233 LT          |
| ANNUAL ENERGY CONSUMPTION | 279 kWh/year    |
| DOOR OPENING DIRECTION    | RIGHT(STANDARD) |
| BD TURBO                  | NO              |
| PRODUCT TYPE              | BUILT-IN        |

### SPECIFICATIONS

|                     |                           |
|---------------------|---------------------------|
| PRODUCT RANGE       | DOUBLE DOOR               |
| REF./FR.LOCATION    | BOTTOM FREEZER            |
| PRODUCT WIDTH       | 540 W X 545 D X 1770 H MM |
| PACKAGED DIMENSIONS | 584 W X 577 D X 1854 H MM |
| BD REF.SYSTEM       | NO FROST MULTI COOLING    |
| CONTROLSYSTEM       | ELECTRONIC                |
| ENERGY CLASS        | A++                       |
| CLIMATE CLASS       | TROPICAL/SUBNORMAL (T/SN) |
| REFRIGERATING GAS   | R600A                     |
| CERTIFICATE/MARKET  | NO                        |

### TECHNICAL DATA

|                               |                           |
|-------------------------------|---------------------------|
| STAR RATING                   | 4* (STANDARD)             |
| BD CE CERTIFICATION           | YES                       |
| POWER CABLE TYPE              | TIP G UK GSO              |
| POWER CABLE LENGTH            | 2,5                       |
| VOLTAGE                       | 220-240V - 50HZ           |
| PACKING SHAPE                 | CARTON (STANDARD)         |
| VOLUME VALUE                  | STANDARD (CATALOG) VOLUME |
| DOOR SHEET DESIGN             | VESTEL (CLASSIC CURVED)   |
| HANDLE INSTALLATION OPT.      | INTEGRATED                |
| DOOR COLOR                    | DKP                       |
| BODY+ DOOR / CAP COLOR        | WHITE                     |
| NEW SAFETY STANDARD (COST-UP) | YES (COST-UP)             |
| BACK WALL (OUTSIDE)           | MULTILAYER-ALU            |
| GASKET COLOR                  | STANDARD (WHITE)          |
| TOP COVER BRACKET             | PLASTIC (STANDARD)        |
| DISPLAY DESIGN                | DOUBLE CONT.INNER DISPLAY |
| HINGE TYPE                    | S (SLIDING)STANDARD       |
| DOD HANGER SHEET TYPE         | STANDARD                  |
| REF.LIGHT                     | LED                       |
| FREEZER LIGHT                 | NO LIGHT                  |

### CONTROL & FUNCTIONS

|                               |                                |
|-------------------------------|--------------------------------|
| DOOR ACCESSORY TYPE           | ARC DESIGN (FW)                |
| BASKET / CRISPER TYPE         | STANDARD                       |
| REF.COMPARTMENT SHELF         | GLASS SHELF                    |
| COMPRESOR TYPE                | BASE PRODUCT                   |
| ACCESSORY COLOR               | TRANSPARENT NATUREL (STANDARD) |
